

1. Personal and Contact Information:

First and Last Name: Shahin

Academic Rank: PHD

Personal Email: R822003@yahoo.com

Academic Email:

Mobile Number: +98 916 164 1497

Office Phone Number: +98 66 33 120 140

Fax Number: +98 66 33 120 140

Date of Birth: 5/14/1965

Marital Status: Married

2. Education:

BSc: (Field of Study, Name of University, Year Graduated)

BSc Thesis: (Title, Supervisor, Advisors)

BSc: Field of Study: nursing, shiraz university of medical science, 1991

MSc: (Field of Study, Name of University, Year Graduated)

MSc Thesis: (Title, Supervisor, Advisors)

MSc: medical surgical nursing, Gilan university of medical science, 1995

Thesis: Nursing students' attitudes about death and dying

PhD: (Field of Study, Name of University, Year Graduated)

PhD Thesis: (Title, Supervisor, Advisors)

PHD: Nursing Education, Shahid Beheshti University of Medical Sciences and Health Services, 2020

PhD Thesis: Developing and implementing an e-learning model for baccalaureate nursing curriculum,

Supervisor: Houman Manoochehri , Nahid Zarifsanaiey

MD: (Field of Study, Name of University, Year Graduated)

MD Thesis: (Title, Supervisor, Advisors)

Resident: (Field of Study, Name of University, Year Graduated)

Resident Thesis: (Title, Supervisor, Advisors)

Fellowship: (Field of Study, Name of University, Year Graduated)

Fellowship Thesis: (Title, Supervisor, Advisors)

3. Awards & Honors:

Top teacher, 2003

Top teacher, 2012

4. Scientific Position:

- 1. Assistant Professor of Medicine (Department of nursing, Lorestan University, during)**
- 2. Associate Professor of Medicine (Department of ..., University, during)**
- 3. Professor of Medicine (Department of ..., University, during)**

5. Executive Position:

Director of Nursing

6. Teaching Experiences:

Lecturer: Khorramabad Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences

Assistant professor: Khorramabad Faculty of Nursing and Midwifery, Lorestan University of Medical Sciences

7. Clinical Experiences:

Medical-Surgical wards

Management of nursing

8. Research Field:

Nursing education

e-learnig

blended education

9. Grants:

- Pre-Exposure to Normobaric Hyperoxia Has No Effect on Myocardial Injury Biomarkers after Percutaneous Transluminal Coronary Angioplasty
- A comparative study of teaching clinical guideline for prevention of ventilator-associated pneumonia in two ways: face-to-face and workshop training on the knowledge and practice of nurses in the Intensive Care Unit

- effect of indomethacin suppository on the amount of drug use after cesarean section
- . Impact of the team effectiveness design of teaching on critical thinking, self-confidence and learning of nursing students
- Pre-Exposure to Normobaric Hyperoxia Has No Effect on Myocardial Injury Biomarkers after Percutaneous Transluminal Coronary Angioplasty
- A comparative study of teaching clinical guideline for prevention of ventilator-associated pneumonia in two ways: face-to-face and workshop training on the knowledge and practice of nurses in the Intensive Care Unit
-

10. Supervisor:

- The effect of N-acetylcysteine on the quality of life and Antioxidant Indices of patients with cardiovascular disease(student: Najafi)
- Comparaing the effect of Nitroglycerin and Clobetazol Ointments on Prevention of Superficial Intravenous Catheter Induced Phlebitis(student: Hamid Akbari)
- Pre-Exposure to Normobaric Hyperoxia Has No Effect on Myocardial Injury Biomarkers after Percutaneous Transluminal Coronary Angioplasty (student: Asghar Mohamadi)
- A comparative study of teaching clinical guideline for prevention of ventilator-associated pneumonia in two ways: face-to-face and workshop training on the knowledge and practice of nurses in the Intensive Care Unit (student: Majid Yazdani)
- Experiences of Lorestan University of Medical Sciences students from distance education in Corona epidemic (student: Sara Gholizadeh)
-

11. Advisor:

12. Papers:

English:

- Developing an E-learning Model for Nursing Education. Journal of Clinical and Diagnostic Research. 2020 Jan, Vol-14(1): LC11LC16
- Pre-Exposure to Normobaric Hyperoxia Has No Effect on Myocardial Injury Biomarkers after Percutaneous Transluminal Coronary Angioplasty, <http://journal.iha.org.ir/Files/Journal/41.pdf>
- A comparative study of teaching clinical guideline for prevention of ventilator-associated pneumonia in two ways: face-to-face and workshop training on the knowledge and practice of nurses in the Intensive Care Unit, J Adv Med Educ Prof. 2015 Apr; 3(2): 68–71

13. Articles presented at national and international congresses and conferences (Oral, Poster):

14. Workshops (Teaching, Presence):

15. Inventions and Inventions:

16. Research Projects (Executor, Collaborator):

- Survey the effect of indomethacin suppository on the amount of drug use after cesarean section (Executor)
- Survey the effect of stress on IgA secretion in nurses (Executor)
- Survey of serum iron levels in coronary patients without a clear risk factor
- A review of the views of faculty members of Lorestan University of Medical Sciences on Form A. (Executor)
- A review of the views of faculty members of Lorestan University of Medical Sciences on the evaluation process and method (Executor)
- The effect of TED method on critical thinking, self-confidence and student satisfaction (Executor)
- A review of the views of educators and nursing and midwifery students on effective clinical education indicators (Executor)
- Survey the attitude of faculty members of Lorestan University of Medical Sciences on e-learning (Executor)
- The views of nursing and midwifery students and educators on drug errors (Executor)
- Survey the effect of clinical guidance on prevention of ventilator-dependent pneumonia on knowledge and performance of ICU nurses at Shiraz University (Executor)
- Pre-Exposure to Normobaric Hyperoxia Has No Effect on Myocardial Injury Biomarkers after Percutaneous Transluminal Coronary Angioplasty
- The effect of acetyl cysteine on quality of life, anxiety and antioxidant indicators of patients - cardiovascular

17. Reviewer of National and International Scientific Journals:

- Yafteh, Lorestan University of Medical Sciences
- Aflak, Lorestan University of Medical Sciences

18. Editorial Board of Medical Journals:

19. Membership in Scientific Associations:

20. General Skills:

-Virtual education and familiarity with some Software

-Data analysis and familiarity with some Software

21. General interests:
